**REPORT OF THE MARINE ENVIRONMENT PROTECTION COMMITTEE
ON ITS SIXTY-FIRST SESSION**

Corrigenda to document MEPC 61/24

Paragraph 5.81 is replaced by the following:

"5.81 The Committee held a debate on how to progress the development of a suitable market-based mechanism for international shipping that took into account the special needs and circumstances of developing countries. The Committee considered how to advance the matter and agreed that the process needed to be transparent and open to all."
